

Suggestions for Improving the Syllabus:

- 1) Re-evaluate goals or objectives of curriculums.
- 2) I am requesting different subjects in B.A. Eg. Sanskrit, computer subject, etc.
- 3) There is no practical knowledge about business, industry, and employment skills. I think it should also be included in it.
- 4) I think we should develop our practical education ...it's helpful to students actively studying.
- 5) Consider job trends.
- 6) Try to give us many projects for improving our communication skills.
- 7) Concept basic and too practical knowledgeable teaching.
- 8) Make a simple language of the theory subject.
