DEPARTMENT OF ECONOMICS

“Certificate Course in Research Methodology in Economics”

Duration: 22nd February To 14th March 2023 (32Hours/03 Weeks)

Format of the Certificate Course

- Duration: 32 Hours/03 Weeks
- Assessment: 30 Marks (20 Marks Written Examination Test-Multiple Choice Questions + 10 Marks Computer Application Practical)

Objectives of Course:

This Certificate course introduces of a social scientist and methodological differences between different school of economic thought. The objective of this course is to develop a research orientation among the scholars and to acquaint them with fundamentals of research methods. Specifically, the course aims at introducing them to the basic concepts used in research and to scientific social research methods and their approach. It includes discussions on sampling techniques, research designs, techniques of analysis and use of computer applications. Some other objectives of the course are:

- To develop understanding of the basic framework of research process.
- To develop an understanding of various research designs and techniques.
- To identify various sources of information for literature review and data collection.
- To develop an understanding of the ethical dimensions of conducting applied research.
- Appreciate the components of scholarly writing and evaluate its quality.
- To uses of computer application of data processing.

Course Outcomes:

At the end of the course a learner should know about different methods, techniques, computer application of data processing and Methodologies of scientific research he also should be able to make a presentation of his research paper (selected in consultation with Research guide) with a focus on (all) what he has learned during the course: selection of appropriate topic, bibliography entries, aims and objective, etc.
