## TO WHOMSOEVER IT MAY CONCERN

This is to certify that our college has a non-registered informal alumni association. Although, we have a non-registered alumni association but it is an active agency in shaping the policies and overall development of the college. The members of the alumni association are representatives of different streams. They express their views regarding the college and also help for the development of the college.

The alumni contribute in policy making by their representation in the statutory and academic committees such as Trustee Committee and Executive Committee of the Dnyanvardhini Trust and IQAC etc. The alumni, who are experts in their respective fields, are invited to guide our students. **But no financial contribution is donated by the alumni during the academic year 2022-23.**

Hence, certified.
